Synopsis

Charity Hope Valentine is a modern day hero. She is kind-hearted, beautiful and full of dreams. She has no fairy god-mother but the two prettiest best friends in the world. And she hopes, she yearns for love, for the one she was meant to be with, for the one who would fulfill all her dreams. But many men pass by, and none of them stay...

Then, in an elevator, she meets Oscar, a gentle and awkward accountant. Is it the start of something new? Is he the one she was waiting for? Will she finally be happy?

Charity Hope Valentine est une héroïne des temps modernes. Le cœur sur la main, le sourire aux lèvres et les yeux dans les étoiles, elle rêve et espère. Qu'un jour elle rencontrera l'amour, celui rien que pour elle, celui qui l'aimera, l'emportera. Mais les hommes passent, et se ressemblent tous...

Et puis au détour d'un ascenseur, elle rencontre Oscar, grand maladroit au cœur tendre. Sera-t-il différent des autres? L'aimera-t-il? Sera-t-elle enfin heureuse?
